

The District Wellness Department Brings To You :

Parent Wellness Forum Support

James Webb and Charles Deuschle have been together for 25 years and have both been involved with education since 1995 and 2003, respectively. James is currently representing Trustee Area 4 on the Hart School Board, and Charles is a teacher in the Hart School District. They have two sons who attend Hart District schools. James and Charles are excited to talk with parents about their own experiences of growing up gay in Florida, coming to terms with their own understandings of who they are and reconciling that with their professions, and their journey to become parents. Feel free to ask questions!
